

It's simple...

St. John's has joined the Wonder Recycling Rewards challenge. This means for every 5kg of bread bags recycled through this program we earn points to redeem as sport's equipment. The recycled bags will be made into wonderful things like play equipment.

While we wait for our collection box to arrive at school we need your help by starting to collect your bread bags at home. They do not have to be Wonder brand and include bread wraps packaging. We have between now and the 25th of June to collect as many bread bags as possible.

So...

**LET'S GET
RECYCLING!**
