Make your way through Bethlehem where the true Christmas story really comes alive!

Bethlehem is a busy place inside its city walls. As you walk through the market place you will experience what life would have been like 2000 years ago.

The Bethlehem experience culminates at the nativity drama, with Mary & Joseph, baby Jesus, shepherds and wise men.

Bethlehem Live is brought to you by SU AUSTRALIA and the Combined Churches of Bundaberg. It is a Free Family Event which will allow you to experience the story of Jesus like you never have before.
